

Professional Herbalism Program Application

Year Two - Credit Submission Addendum

Name: _____

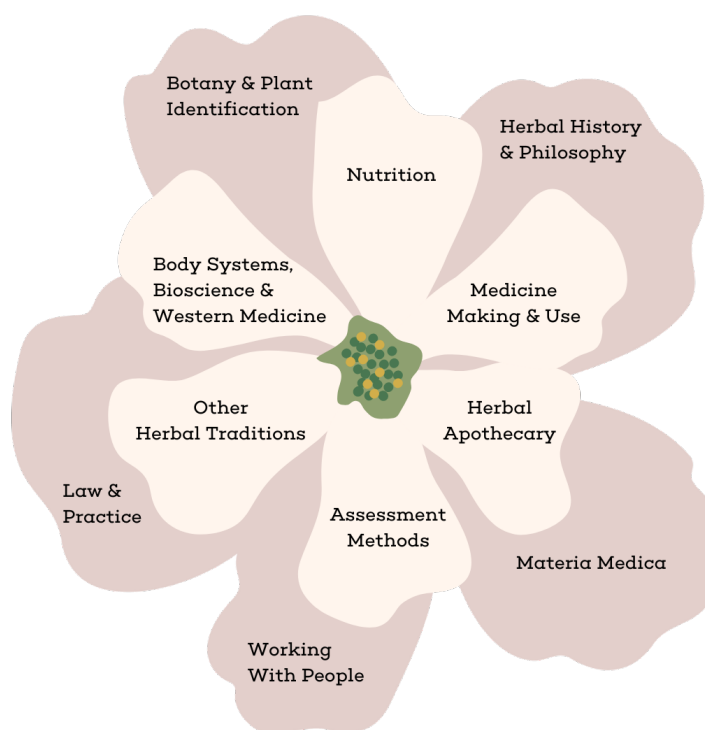

Phone: _____ Email: _____

This application addendum is for those students who are seeking recognition of previous education to be credited toward an ArborVitae certificate. ArborVitae reviews these requests on a case-by-case basis and may require documentation of any prior education.

Year 1 Curriculum

The Year 1 Foundational Program is a 343 hour program covering many topics. The following pages provides a rough break down of the relative emphasis on the various topics (with some inevitable amount of overlap between topics as the curriculum has an integrated approach).

Please review the following pages carefully and complete to the best of your ability, including additional pages as needed. Please provide any additional documentation that you have, such as certificates, diplomas, etc.

First Year Curriculum Experience

Body Systems, Bioscience & Western Medicine - **Specify below or appended which body/organ systems you have studied in depth.*
